

Journal of Islamic Philosophy

This is the new proposed transliteration scheme for the Journal of Islamic Philosophy.

Note that in order to be able to view this table correctly you will need to have the following font (**Times Ext Roman**) to be installed on your system.

The following letter should  look like this: 

If not that means that you do not have the correct font (**Times Ext Roman**) loaded on your system and you will not be able to see the transliterated letters correctly.

The font may be downloaded from the following source:
